MACHINE RANGE

Haas VF-2 vertical machining center machine

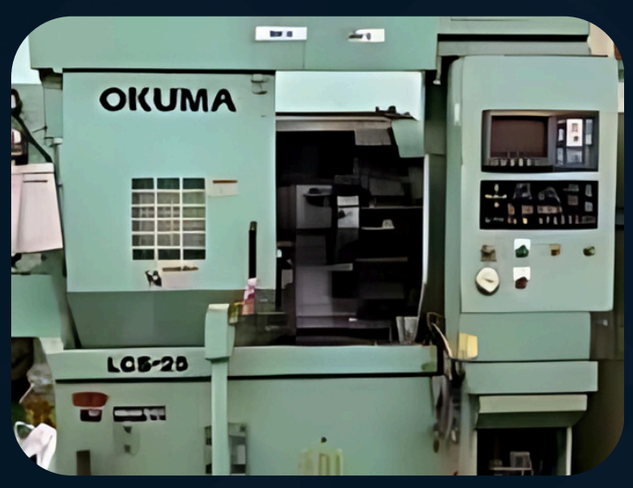

Miyano center drill machine

Makino vertical machining center machine

Matsuura horizontal machining center machine

Okuma lathe machining center machine

KEYENCE IM-7000 dimension measuring instrument

Wire cut

Cnc T400SM wire cut

Nikkon projector

Haas UMC 500
5 axis CNC milling machine

MECHANICAL EQUIPMENT

- Wire cut machining 3 stand
- Vertical machining center 2 stand
- Horizontal machining center 1 stand
- Small hole discharge machining 1 stand
- General-purpose lathe 1 stand
- Drilling machine 2 stand
- Drill polishing machine 1 stand
- Vibrating barrel polishing machine 1 stand
- KEYENCE IM-7000 Image dimension measuring instrument 1 stand
- Tapping center machining 3 stand
- Lathe machining center 4 stand
- Argon welding machine 1 stand
- Surface polishing machine 2 stand
- General purpose milling machine 1 stand
- High frequency baking machine 1 stand
- End mill polishing machine 1 stand
- Vibrating barrel polishing machine 1 stand
- Nikkon projector 1 stand

THE VALUE WE OFFER

- We provide high quality products and services at reasonable prices.
- We are firmly committed to quality and progress, providing value that increases our customers' business success and trust.
- We actively incorporate new technology and create groundbreaking value that helps customers solve their problems.

QUALITY CONTROL IN PRODUCTION

1. Raw materials
2. Machining process
3. Control of the machining process
4. Product inspection

OUR STRENGTHS

- Experience working with key partners
- Quality assurance of manufacturing process
- High quality customer service that can meet customers' 24/7 processing requests
- 12+ experts
- High tech machinery
